Pet Policy

Well behaved pets are welcome at Wallace lane farm both in our holiday cottages and camping site as well as one of our Bed & Breakfast rooms. Small and medium size dog are welcome to stay in the designated bedroom providing no damage or trace of the dog or pet is left upon departure. For larger dogs room can be provided in outbuilding for feeding and night time sleeping by arrangement.

We do have pets including dogs and cats of our own as well as farm animals including sheep cattle, horses and chickens. Only pets that can be trusted in such an environment can be accommodated. We can provide if required feeding and drinking bowls as well as sleeping baskets and dog cages.

Please ensure that you clean up after your pet and remember the country code especially at Lambing time. As we are pet owners ourselves and understand the importance of pets in family life we will make a small charge for guests who wish to bring well behaved pets to our farm. Charge will be £5.00 per night for first three nights. No charge from then onwards.
